for David Taylor, bass trombone
with Sarah Weaver, electronics

Premiere:

December 20, 2016 at The Cell Theatre, New York

David Taylor, bass trombone

Sarah Weaver, electronics

Program Note:

Solo work for bass trombonist David Taylor with electronics accompaniment. The piece is written for David Taylor's innovative language on the bass trombone, together with music and graphic notation that emphasizes network, spectral, multiplicity, and contemplative concepts. The collaboration draws from many years working together in ensemble music and the deep musical impact of Taylor's work on Weaver from a young age.
