NEXUS EXPANSE (2018)

for Gerry Hemingway, drumset

Premiere:

December 21, 2018

the cell, New York NY

Gerry Hemingway, drumset

Program Note:

“Nexus Expanse” is the third piece written for Gerry Hemingway, completing a set and recording of solo drumset works. This work integrates concepts of network for soloist, multiplicity and polyrhythmic capacities of Hemingway’s drumset playing, attention states, and synthesis for resultant expanse.
