NODE 111 VOLUMES 1-3 (2011-2016)

for Gerry Hemingway, drumset

Premieres:

Solo drumset works for Gerry Hemingway. "Node 111, Volumes 1-3" are based on nodality in music and spectral multiplicity of self. Nodes are applied as points of multiple layers of intersections that are heard together in time

Recorded November 30, 2016 at Mavericks Studio, New York.

Program Note:

"Node 111, Volume 1" premiered in a 2011 telematic concert in New York, San Diego, Seattle, and Montreal connected via the internet. "Node 111" grew into a full set of works based on these concepts including Volumes 1-3 (2011-2016) together with companion pieces "Reality Axis" and "Nexus Expanse". Node 111 is based on nodality in music and spectral multiplicity of self. Nodes are applied as points of multiple layers of intersections that are heard together in time. The works have been performed in a variety of concerts in New York, New Zealand Tour, and Southeast Asia Tour.
